1 In the circuit court of the United States for the district of Oregon, April term, 1889.

Be it remembered that on the 31st day of August, 1889, there was duly filed in the circuit court of the United States for the district of Oregon a bill of complaint in words and figures as follows, to wit:

2 In the circuit court of the United States for the district of Oregon.

To the honorable the judges of the circuit court of the United States for the district of Oregon:

Now comes your orator, W. H. H. Miller, the Attorney-General of the United States of America, and in virtue of the provisions of an act of the Congress of the United States entitled "An act providing in certain cases for the forfeiture of wagon-road grants in the State of Oregon," approved March 2, 1889, exhibits and presents this bill of complaint in behalf of the United States and against Daniel J. Cooper:

3 I. And thereupon your orator shows to your honors that on the 25th day of February, A. D. 1867, the Congress of the United States passed, and the President duly approved, an act granting to the State of Oregon to aid in the construction of a wagon road from Dalles City, on the Columbia River, by way of Camp Watson, Canyon City, Mormon or Humboldt Basin, to a point on Snake River opposite Fort Boise, in Idaho Territory, the alternate sections of public land, designated by odd numbers, to the extent of three sections on each side of said road; that said act provided that the lands granted should be exclusively applied to the construction of the road and to no other purpose; that they should be disposed of only as fast as the work upon the road progressed; that lands lying within the limit fixed by said act, and theretofore reserved or appropriated, should be reserved from the operation of said act except so far as it might be necessary to locate the road over the same, in which case a right of way to the width of one hundred feet was granted; that the said act further provided that the grant should not embrace mineral lands of the United States; that the land granted thereby to the State of Oregon should be disposed of by the legislature thereof for the uses and purposes therein set forth and for no other purposes; that the road should be and remain a public highway for the use of the United States, free from toll or other charges upon the transportation of any property, troops, or mails of the United States, and also that the road should be constructed with such width, gradation, and bridges as to permit of its regular use as a wagon road and in such other special manner as the State of Oregon might prescribe; that the said act also authorized the State of Oregon to locate and use in the construction of said road an additional amount of the public lands not previously reserved to the United States nor otherwise disposed of, and not exceeding ten miles in distance from the general route of the road, and equal to the amount reserved from the operation of the act, said lieu lands to be selected in alternate odd sections as provided therein; that said act further provided that the lands thereby granted to the State of Oregon should be disposed of only in the following manner, that is to say; when the governor of the State should certify to the Secretary of the Interior that ten coterminus miles of said road were completed, then a

quantity of land granted by the act, not exceeding thirty sections, might be sold, and so on from time to time until said road should be completed, and if the road was not completed within five years, no further sales should be made, and the lands remaining unsold should revert to the United States, and also that the surveyor-general of the district of Oregon should cause the lands granted by the act to be surveyed at the earliest practicable period after the said State should have enacted the necessary legislation to carry the said act of Congress into effect.

II. And your orator further shows to your honors that on the 20th day of October, A. D. 1868, the legislative assembly of the State of Oregon passed, and the governor approved, an act entitled "An act dedicating certain lands to Dalles Military Road Company," which act, after setting forth the act of Congress aforesaid, granted to Dalles Military Road Company all lands, rights of way, rights, privileges, and immunities granted or pledged to the State of Oregon by said act of Congress aforesaid, for the purpose of aiding said Dalles Military Road Company in constructing the road mentioned and described in said act of Congress aforesaid, and upon the conditions and immunities therein prescribed. And further, that the said act of the said legislative assembly granted and pledged to the said Dalles Military Road Company all moneys, lands, rights, privileges, and immunities which might thereafter be granted to the State of Oregon to aid in the construction of said road, for the purposes and upon the conditions mentioned in said act of Congress, or which might be mentioned in any further grant of money or land to aid in constructing said road; and said act of the legislative assembly of the State of Oregon authorized the said Dalles Military Road Company to locate, subject to the approval of the governor of the State of Oregon, the land within the ten-mile limit prescribed by said act of Congress aforesaid, in lieu of lands reserved to or disposed of by the United States, and lying and being within the limits of the grant as described in the first section of the act of Congress aforesaid.

III. And your orator further shows to your honors that the State of Oregon never at any time passed any laws whatsoever for the special purpose of carrying the act of Congress aforesaid into effect, but long before the passage and approval of said act of Congress, and on the 14th day of October, A. D. 1862, the legislative assembly of the State of Oregon passed an act entitled "An act providing for private incorporations and the appropriation of private property therefor," which was approved by the governor of Oregon on said day last aforesaid, which act provided, among other things, that any road, other than a railway, constructed by a corporation formed under the said law, should be cleared of standing timber for thirty feet in width; that said road should have a track in the center not less than sixteen feet in width finished and kept in good traveling condition, except when the cut of said road is six feet or more deep on either side, in which case said road need not be more than ten feet wide, with turn-outs of sixteen feet in width for every quarter of a mile of said narrow track. And said act of the legislative assembly of Oregon last aforesaid also provided that all streams or other waters upon the line of such roads should be safely and securely bridged, except where the county court of the county wherein the line of such road may cross such streams or other water; or if such stream or other water form the bound-

ary between two counties, then the county court of either of said counties might authorize the corporation to place a ferry-boat upon such stream or other water, to be kept and run for such toll as the county court might prescribe and in the manner required of ferries established under the general statutes in relation to ferries; or except where such county court might authorize such corporation to connect their road with a ferry at the date of said act or thereafter established over such stream or other water under the general statutes in relation to ferries, and that said provisions of said act of the legislative assembly of the State of Oregon last aforesaid have been in force at all times since the 14th day of October, 1862, and still remain in force.

IV. And your orator further shows to your honors that The Dalles Military Road Company is a private corporation purporting to have been incorporated on the 30th day of March, A. D. 1868, under and by virtue of the general laws of the State of Oregon providing for private incorporations and the appropriation of private property therefor; that the enterprise and business in which the said corporation proposed to engage was the location and construction of a clay road from Dalles City, in the county of Wasco, Oregon, by way of Camp Watson and Canyon City to a point on Snake River opposite Fort Boise, in Idaho Territory, about two miles below the mouth of Owyhee River; that James K. Kelly, N. H. Gates, and Orlando Humason were the incorporators thereof.

That on the 11th day of January, A. D. 1871, the Dalles Military Wagon Road Company, by Orlando Humason, Victor Trevitt, O. S. Savage, O. W. Weaver, and B. W. Mitchell, the then directors thereof, in pursuance of the unanimous vote of the stockholders thereof, made and filed supplementary articles of incorporation; that said supplementary articles of incorporation contained but one article, which is as follows:

"The enterprise and business in which the said corporation proposes to engage, in addition to the location and construction of a clay road as provided in the original articles of incorporation, is to accept and receive any and all grants of land and other things of value from the United States and the State of Oregon, and to sell and convey and to purchase and to hold land and other property which the directors of said corporation may deem necessary and convenient for the interests thereof, and to engage in any business incident to and connected with receiving any such grant, and in selling, conveying, purchasing, and holding any land or property that may come into the possession of said company, also to establish and keep a toll road on any part of the road belonging to said company."

That said private corporation is still in being, and that the officers thereof are James K. Kelly, president, and C. N. Thornbury, secretary.

V. And your orator further shows to your honors that on the first day of January, A. D. 1869, and on divers other day between said day and the 23d day of June, 1869, the officers, stockholders, and agents of the Dalles Military Road Company, and other persons acting in their interest and in the interest of said company, falsely and fraudulently represented to George L. Woods, then the governor of Oregon, that said road had been constructed as by law required; they the said officers, stockholders, agents, and representatives and other persons aforesaid, then and there well knowing that said representations were false and that the said road had not been

constructed in any respect according to law or at all; that they and each of them made the said false and fraudulent representation for the sole and only purpose of fraudulently procuring from the said George L. Woods, as governor of the State of Oregon, a certificate declaring that the said road had been constructed in accordance with the act of Congress aforesaid approved February 25, 1867, and of the act of the legislative assembly aforesaid approved February 20, A. D. 1868.

That the said George L. Woods, then governor of Oregon, in consequence of said false and fraudulent representations made as aforesaid by the persons aforesaid, made and issued the following certificate:

EXECUTIVE OFFICE,
Salem, Oregon, June 23, 1869.

I, George L. Woods, governor of the State of Oregon, do hereby certify that this plat or map of the Dalles Military Road has been duly filed in my office by the Dalles Military Road Company, and shows, in connection with the public surveys, as far as said public surveys are completed, the location of the line of route as actually surveyed and upon which their road is constructed in accordance with the requirements of an act of Congress approved February 25, 1867, entitled "An act granting lands to the State of Oregon to aid in the construction of a military wagon road from Dalles City, on the Columbia River, to Fort Boisé, on Snake River," and with the act of the legislative assembly or the State of Oregon approved October 20, 1868, entitled "An act donating certain lands to the Dalles Military Road Company." I further certify that I have made a careful examination of said road since its completion, and that the same is built in all respects as required by the said above-recited acts, and that said road is accepted.

In testimony whereof I have hereunto set my hand and caused to be affixed the great seal of the State of Oregon.

Done at Salem, Oregon, June 23, 1869.

GEO. L. WOODS.

Attest. SAMUEL E. MAY,
[SEAL.] *Secretary of State.*

VI. And your orator further shows your honors that it was not and is not true that the Dalles Military Road Company had at any time whatsoever constructed, or caused to be constructed, a road upon any line of route located or surveyed by said company or by any other corporation, person, or persons, anywhere within the limits of the grant of land provided for in the act of Congress aforesaid, or at all, and this the said George L. Woods, governor aforesaid, then and there well knew, and that it was not and is not true that the said governor made a careful, or any, examination of any road constructed or owned by the Dalles Military Road Company.

VII. And your orator further shows to your honors that said certificate was procured by the said Dalles Military Road Company by and through the false and fraudulent representation aforesaid by the officers, stockholders, agents, and persons aforesaid in order to enable it falsely and fraudulently to obtain possession and control of the lands lying within the

limits of the grant of land provided for in the act of Congress aforesaid, and that the acceptance of said pretended road by the governor aforesaid was a fraud upon the United States of America.

VIII. And your orator further shows to your honors that the said road never was built, graded, bridged, cleared, or constructed either in whole or in part so as to be a public highway, or so as to permit of the transportation of any property, troops, or mails of the United States over the same, and was not and never has been maintained as a public highway by either or any of the defendants herein, or any person or persons claiming any interest in the lands embraced within the limits provided for by the said act of Congress.

IX. And your orator further shows to your honors that notwithstanding the provisions of the act of Congress declaring that the lands granted thereby should be exclusively applied to the construction of the road and to no other purpose, neither the said lands, nor the proceeds thereof, have ever been exclusively, or at all, applied to the construction of the road, or any part thereof, or to the construction of any bridges thereon, or the establishment of any ferries on any streams along the line of the road or any part thereof.

X. And your orator further shows to your honors that the lands granted by the said act of Congress were not and have not been disposed of by the State of Oregon, or by the legislative assembly thereof, for the purposes expressed in said act of Congress or any thereof.

XI. And your orator further shows to your honors that on the eighteenth day of June, A. D. 1874, the Congress of the United States passed and the President duly approved an act which, after reciting that certain lands had theretofore by acts of Congress been granted to the State of Oregon to aid in the construction of certain military wagon roads in said State, and that there was no existing law providing for the issuing of formal patents for said lands, provided as follows:

"That in all cases when the roads in aid of the construction of which said lands were granted are shown by the certificate of the governor of the State of Oregon, as in said acts provided, to have been constructed and completed, patents for said lands shall issue in due form to the State of Oregon as fast as the same shall, under said grants, be selected and certified, unless the State of Oregon shall, by public act, have transferred its interests in said lands to any corporation or corporations, in which case the patents shall issue from the General Land Office to such corporation or corporations upon the payment of the necessary expenses thereof: Provided, That this shall not be construed to revive any land grant already expired, nor to create any new rights of any kind, except to provide for issuing patents for land to which the State is already entitled."

7 XII. And your orator further shows to your honors that on the 19th day of June, A. D. 1876, the President of the United States, being deceived, misled and imposed upon by the false and fraudulent certificates hereinabove set forth, issued to the defendant, The Dalles Military Road Company, a patent for 126,910 23–100 acres of land included in the grants made or intended to be made by said acts of Congress which patent was duly recorded on the 14th day of January, A. D. 1887, in volume K of the record of deeds of Wasco County, Oregon, pages 452 to 469.

XIII. And your orator further shows to your honors, that on the 31st day of May, A. D. 1876, The Dalles Military Road Company, by its then president, P. J. Martin, and its then secretary, C. N. Thornbury, pursuant to a resolution of the board of directors thereof passed on the day last aforesaid, made, executed, and delivered to Edward Martin a deed, a certified copy of which is hereunto attached, marked Exhibit A, and made a part hereof; and that said deed was filed for record in the office of the county clerk of Wasco County, Oregon, on the 31st day of May, A. D. 1876, and was recorded in record of deeds for Wasco County, Oregon, in volume E, on pages 435, 436, 437, and 438.

That on the 21st day of March, A. D. 1882, Eleanor Martin, as the guardian of the person and estates of James V. Martin, Genevieve Martin, Peter D. Martin, Walter S. Martin, and Andrew D. Martin, minor heirs of Edward Martin, deceased, under an order and license of the county court of Wasco County, Oregon, made, executed and delivered to Peter Donahue and James Phelan a deed, a certified copy of which is hereunto attached, marked Exhibit B, and made a part hereof; and that said deed was filed for record in the office of the county clerk of Wasco County, Oregon, on the 5th day of April, A. D. 1882, and was recorded in record of deeds for Wasco County, Oregon, in volume H, on pages 82, 83, and 84.

That on the 3rd day of August, A. D. 1882, James Phelan and Alice, his wife, made, executed and delivered to Peter Donahue a deed, a certified copy of which is hereto attached, marked Exhibit C, and made a part hereof; and that said deed was filed for record in the office of the county clerk of Wasco County, Oregon, on the 13th day of September, A. D. 1882, and was recorded in record of deeds for Wasco County, Oregon, in volume H, on pages 275, 276, and 277.

That on the 4th day of August, A. D. 1884, Peter Donahue and Annie, his wife, D. V. B. Henaire and Mary, his wife, Eleanor Martin, T. J. Martin and Margaret A., his wife, James V. Martin, Thomas V. Martin and Ada B., his wife, Edward Martin, Barton L. Walker and Genevieve E., his wife, made, executed, and delivered to the Eastern Oregon Land Company, a private incorporation, a deed, a certified copy of which is hereunto attached, marked Exhibit D, and made a part hereof; and that said deed was filed for record in the office of the county clerk of Wasco County, Oregon, on the 15th day of October, A. D. 1884, at 10.30 o'clock a. m., and was recorded in the record of deeds of Wasco County, Oregon, in volume J, on pages 119, 120, 121, 122, 123, and 124.

That each and every of said deeds conveyed the lands in bulk, and purported to grant to the respective grantees all the lands lying and being in the State of Oregon, granted or intended to be granted to the State of Oregon by the act of Congress first hereinabove pleaded and granted or intended to be granted by the State of Oregon to The Dalles Military Road Company by the act of the legislative assembly first hereinbefore pleaded, and that the substantive parts of both of said acts are recited in all the said deeds and expressly made parts of each thereof.

XIV. And your orator further shows to your honors that on the 27th day of September, 1886, the Eastern Oregon Land Company executed and delivered to the defendant, Daniel J. Cooper, a deed purporting to convey to him the north half of section twenty-five, township

two north, range fourteen east, of the Willamette Meridian; and the south half *and the south half* of the north half of section twenty-nine, in township two north, range fifteen east, of the Willamette Meridian, containing 800 acres, in Wasco County, Oregon, which deed is recorded on page 427 and 428, in volume K of the record of deeds in said county, a copy of which is hereto annexed and made part of this bill of complaint.

That the lands described in and by said deed so made and delivered to the defendant, Daniel J. Cooper, are part and parcel of the lands granted by the act of Congress first hereinabove pleaded.

That the defendant Daniel J. Cooper, grantee in said deed, entered into possession of said lands under the same, and claims to own and hold said lands adversely to the United States.

XV. And your orator further shows to your honors that the defendant Daniel J. Cooper, and each and every of the grantors and grantees mentioned in the deeds herein above described, at the time of the execution and delivery of the deeds aforesaid, and at the time of the accruing of their respective pretended interests in said lands aforesaid, had full knowledge that the road provided for by said act of Congress, first aforesaid, had not at any time been constructed and maintained as required by the said act of Congress and by the laws of the State of Oregon, so as to be in any sense whatsoever a public highway or so that it could be
9 used by the United States or by any of the citizens or residents thereof as a public highway, or so that the United States could transport its property, troops, or mails over the same; and also had full knowledge that no grades had been established or constructed upon said road or any part thereof; that no ferries had been established or maintained; that no clearing done or any part thereof; no bridges built over any streams on the line thereof; and no cuts made, and no turn-outs constructed anywhere on said line of road by The Dalles Military Road Company or any of the grantors or grantees mentioned and described in any of the said deeds aforesaid; and that no bridges had been built or maintained over any streams on the line of said road; and had full knowledge that said road was not begun nor completed within five years from the date of the passage of the act of Congress first aforesaid, and that it had never been begun, constructed, or maintained, and that each and every of said defendants well knew that the statements made in the certificate of the governor of Oregon hereinabove set forth were false; that the governor did not at any time whatsoever examine the road referred to in his said certificate, and that said certificate had been procured by false and fraudulent representations, as aforesaid, and that the patent aforesaid was found to be issued upon said false and fraudulently procured certificate.

Prayer.

Your orator therefore prays that the patent described in this bill of complaint be declared fraudulent and void; that the certificate described in this bill of complaint be declared fraudulent and void; that the deeds described in this bill of complaint be declared fraudulent and void, and the land therein described be restored to the public domain; that the United States have such other and further relief as to equity seemeth meet; that the United States writ of subpœna may issue requiring the defendant to

appear in this honorable court under certain pains and penalties therein prescribed and answer the foregoing bill of complaint; and that the defendant pay the costs, expenses, and disbursements of this suit.

Acting Attorney-General.

This defendant by protestation, not confessing or acknowledging all or any of the matters and things in the said bill of complaint to be true in

Wherefore and for divers other errors and imperfections therein, this defendant demands the judgment of this court whether he shall be compelled to make any further or other answer to the said bill or any of the matters or things therein contained, and craves to be hence dismissed with his reasonable costs in this behalf sustained.
